Licensing and Savings at a Glance

Licensing Policy

Each developer working on the app UI and using the Telerik and Kendo UI tools needs an individual license.

Renewal Cost

The M&S renewal price for each additional year is 50% of the list price.

→ [Learn More](#)

License Reassignment

You can reassign the license at any time when changes to your team happen.

→ [Learn More](#)

Team or Long-Term Project Requirements?

Leverage our flexible pricing to match your needs. Discounts will be applied automatically in the shopping cart.

Volume Discount

Whether there's more than one developer on your team working on the app UI or you're planning on enlarging the team in the near future, the volume discount enables you to secure the best price during the initial purchase of as few as 2 licenses with savings of up to 15%.

NUMBER OF LICENSES

Multi-Year Discounts

Lock in lower subscription rates, save procurement time and ensure uninterrupted access to product updates and support by purchasing additional years of M&S upfront. Get progressive discounts on the subsequent years based on the number of licenses and years you purchase.
